Innovation built into every Husqvarna saw.

X-Torq®

The X-Torq® technology reduces exhaust emissions by up to 75% and increases fuel efficiency by up to 20%. Your work will become more comfortable as well as more economical.

Low Vib®

Effective anti-vibration dampeners absorb vibration, reducing the impact on the user's arms and hands for more comfortable operation.

Air Injection™

A centrifugal air cleaning system for reduced wear and longer operating time between filter cleanings. You will be able to work longer shifts with less effort.

POWERBOX® CARRYING CASE

Designed to hold your saw and essential cutting accessories. Contents not included.

\$789⁹⁹

966 56 63-01

When it runs on Husqvarna, your Husqvarna runs longer.

Consumers who purchase two-stroke gasoline-powered Husqvarna-branded handheld product can extend their warranty from the standard 2-year to a 3-year or 4-year limited warranty.

Exclusions apply. See your dealer for details, or visit husqvarna.ca.

Snow Blowers

When you own a Husqvarna snow blower, you can't wait for the snow. Premium engines, precision controls, heavy-duty construction and comfortable operation help power you through any winter. All snow blower models are equipped with a powerful engine backed by industry-leading 5&5 Year Warranty: 5 years warranty on engine and 5 years guaranteed to start warranty.

100 SERIES

HUSQVARNA SINGLE-STAGE SNOW BLOWERS HELP YOU HANDLE THE WINTER WITH EASE.

Husqvarna's compact and high-performing single stage snow blowers are ideal for driveways and paths. Easy maneuverability, an innovative remote chute rotator, dual LED lighting and powerful engines with electric start help you take the bite out of winter snowfalls.
